This new house marked the first nonald's birthday (29-5-2014)celebration and wedding anniversary (15-7-2014)of my parents, Appa and Amma. I prayed them for their well.

TWO PLAIDS:

I like having two plaids at college because, until school, we only tied two plaids. But even in college, I used to tie two plaids and sometimes it made me laugh.😅

My seniors got my mobile:

My seniors gave my phone (our college does not allow phones) to the vice principal, papa claimed it was her phone, and saved me. I felt sorry and was in tears🥺.
